Prairie Valley Parents and Students,

As we get closer to the summer and the end of school I wanted to share some things that you will need to know before school starts next year. The campus improvement team, which is composed of community members, parents, teachers, and myself has recommended and approved some changes that will make school a little different from previous years at Prairie Valley ISD. The changes include:

1. **No jeans can be worn with holes or frays in them** - This includes holes that are made or jeans that are bought with holes already in them. Leggings under the holes are not permitted.
2. **Shirts for males must have sleeves in them** - Shirts that are bought sleeveless or made into sleeveless shirts are not permitted.
3. **If a student wears a hooded sweatshirt, the hood cannot be worn in the school building.**
4. **No cell phones or other electronic devices will be allowed in the school building** - If a student is leaving for a school sponsored trip and needs to use their phone/electronic device they must give it to their coach or teacher at the beginning of the day. Once the kids have left for the contest they will be given their phones/electronic device. Older students who drive to school must leave their phone/electronic device in their car. They will be allowed to get their phone/electronic device before they leave. There are now phones in almost every classroom and office. Students will be allowed to use them if necessary.

All of the staff appreciates your support and if there are any questions please feel free to contact the school. There will be people at the school most of the summer to answer any questions you may have.

Sincerely,

Tim West
Principal
Prairie Valley ISD
