

TBEC HONOR ROLL SCHOOLS: 2009 CRITERIA

To earn recognition as a TBEC Honor Roll School, Texas' most prestigious academic award, schools are evaluated on the state's highest standard. The TBEC Honor Roll considers *Commended Performance* as the basis for determining which schools make the grade.

Each school is evaluated based on its commended performance over the past three years with the most recent year's score being double weighted. Campus level TAKS data provided by the Texas Education Agency (TEA) are used in calculating the TBEC Score.

The formula for determining the TBEC Score is:

Percent Commended All Subjects (PCAS) + Percent Commended Reading (PCR) + Percent Commended Math (PCM) + Percent Commended Writing (PCW) + Percent Commended Science (PCS) divided by the Number of Subjects Tested (NST) + One

$$PCAS+PCR+PCM+PCW+PCS/NST+One=TBEC\ Score$$

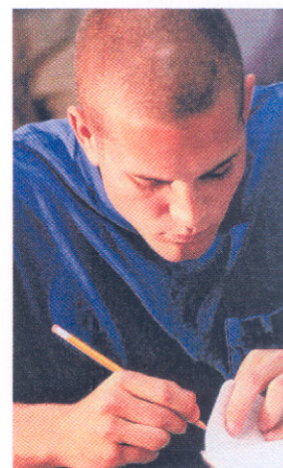

If a school tested only reading and math the formula would look like this:

$$PCAS+PCR+PCM/3=TBEC\ Score$$

This calculation is made for 2007, 2008 and 2009 (doubled)

Determining the TBEC Score:

$$2007\ TBEC\ Score+2008\ TBEC\ Score+2(2009\ TBEC\ Score)/4=TBEC\ Score$$

The table below lists the economic quintiles with the required TBEC Score for campus grade configuration. Numbers in parenthesis represent minimum percent required passing All Tests at the commended level for 2009.

Minimum TBEC Scores				
Quintile	% Economically Disadvantage	TBEC Score Required		
		Elem	MS	HS
First	00-19 Percent	61 (49)	60 (36)	42 (31)
Second	20-39 Percent	49 (39)	51 (34)	29 (23)
Third	40-59 Percent	44 (34)	36 (29)	23 (20)
Fourth	60-79 Percent	41 (29)	34 (24)	19 (20)
Fifth	80-100 Percent	40 (20)	29 (21)	11 (20)
