

STATE OF TEXAS
OFFICE OF THE GOVERNOR

*To all to whom these presents shall come,
Greetings: Know ye that this certificate is presented to:*

**Prairie Valley High School
Prairie Valley ISD**

It is my pleasure to congratulate you on being named to the Texas Business and Education Coalition 2009 Honor Roll. This is an honor for your students, parents, teachers and administrators, and members of the business community who have contributed to the excellence of this school.

The future of the Lone Star State is being educated in classrooms across Texas. Teachers, through your lesson plans and classes, you affect the future daily. Administrators, you provide the vision and foundation for learning to happen. Students, your success means success for all of us.

Our state has no higher priority than educating our young Texans, to see that they have the knowledge and skills they need to realize their full potential. A well-educated population means a strong Texas.

First Lady Anita Perry joins me in sending best wishes.

Sincerely,

Rick Perry
