

PROPOSED 4 - DAY SCHOOL WEEK

WHAT YOU NEED TO KNOW:

MONDAYS ARE OPTIONAL "FLEX DAYS"

Flex days are days that school will be open at normal time, with normal bus schedules and normal meals provided. However, attendance will not be taken on Mondays. Flex days will be used for enrichment activities, field trips and one on one tutorial times! Advantages are listed below!

ADVANTAGES OF FLEX DAYS

Flex days can be spent at home with your families, traveling from a long weekend, or maybe to schedule an appointment. These days are truly FLEXIBLE. You can send your student one Monday, but not the next. Each week is up to you. Flex days are designed to be a good time to send your student to school if he or she had been sick another day, missed due to an extracurricular event, or just to catch up and have an opportunity to get one on one help. We will also schedule some extra and exciting field trips for these flex days to enrich your child's life and make learning more fun!

TUESDAY THROUGH FRIDAY SCHEDULE

To meet state requirements, every Texas school district must be open a certain amount of minutes per year. Because we are required to meet those 75,600 minutes of required instruction, our school day on Tuesdays through Fridays would be extended by 40 minutes. Our day would begin at 7:40 a.m. and end at 3:35 p.m.
