Dear Senior Parent

Congratulations on your 2022 Graduating Bulldog! We would like to help you celebrate your senior's year in several ways.

Every year we spotlight the seniors with senior photos in the yearbook. We will take senior photos at school on August 18 and can use those pictures. These are the photos that will also be sent to the newspaper at the end of the year. We ask that you or your senior email me at least two other senior photos no later than **March 1, 2022**. I always suggest seniors take outdoor senior pictures in the fall while the foliage is pretty, since our deadline is likely before everything begins greening up.

The yearbook staff is also offering senior ads for purchase for the 2021-2022 yearbook. This is the perfect opportunity for you to personally wish your graduating senior off into the next chapter of his or her life. You may include photos and a message from you or your family. This is a personal ad and not the same as the school's senior spotlight above. These ads can be designed online and are available for purchase through Jostens from **November 1 to November 12** only. You can see examples of senior ads in last year's yearbook. More details about this opportunity will be sent closer to these dates.

At the end of the year one of my classes usually puts together a senior video. We will use the *three* photos sent to us for the yearbook, but we will also need up to *eight* photos of your senior growing up over the years. Please send them in digital jpg format if possible. These need to be to us no later than **March 1, 2022**.
