Test Exemption Policy

All Junior High students must take every final exam. High School students who are in good standing academically, behaviorally, and maintain an outstanding attendance record, shall be permitted to be exempt from taking semester tests. To be considered in good standing, a high school student must meet the following criteria:

1. Have no more than three excused absences in a semester per class. Two excused tardies in that class will be the equivalent of one absence.
2. Maintain at least an 85-grade working semester average in a class. Each class will stand alone.
3. Maintain a 90-grade average in citizenship in a class. Each class will be stand-alone.
4. Have no unexcused absences or tardiness in any class. An unexcused absence or tardy will disqualify the student from exemption in any class.
5. Absences will be prorated according to the Working Semester Grade Average maintained in a single class as followed:
0 absences- a student must maintain an average of 85 or higher
1 absence- a student must maintain an average of 88 or higher
2 absences- a student must maintain an average of 91 or higher
3 absences- a student must maintain an average of 94 or higher

If you are exempt from all final exams, you must still be on campus from 7:40- 9:40 each day. You are not allowed to leave campus at any time and return, so plan accordingly. If you owe Mrs. Sadler any make up time, you will stay all day in order to fulfill your time requirements.
